

The Ashbourne and District Lions Club proudly welcomed the three time Eurovision Winner Johnny Logan to the Pillo Hotel recently to launch the annual Coast2Coast Charity Cycle Challenge to be held on May 26th and 27th. Johnny Logan thankfully took time out from his very busy performing schedule across Europe to launch C2C 2018 together with the Lions Club members and the Pillo Hotel Management. President Steve Trodden presented The Pillo Hotel with a framed Tee Shirt from the 2017 event which included 52 x autographs of the cyclists involved.

This year the event has attracted a huge entry of 70 x cyclists who will take on this coast2coast challenge cycling all the way from Galway Bay to Laytown Co Meath, and this year's event will be held in aid of both the "Make A Wish" foundation for terminally ill children and for "Alzheimer Society of Ireland."

On behalf of this years selected charities, we would like to sincerely thank Johnny Logan for he has supported the Lions Club for many years, and also to the Pillo Hotel who accommodate the Lions Club throughout the year and will host our registration morning providing breakfast for all the cyclists.

The Ashbourne and District Lions Club meet once a month on the first Thursday of the Month in the Pillo Hotel and they are always welcoming new members. So if you would like to join us too and help give something back to the local community, please email us on [lionsashbourne@gmail.com](mailto:lionsashbourne@gmail.com), find us on Facebook or find more information at [www.ashbournelions.com](http://www.ashbournelions.com).
